## Potassium Phosphates Injection, USP Availability Notice

Dear Valued Customer,

Fresenius Kabi Canada is pleased to advise that replenishment inventories of our **Potassium Phosphates Injection, USP PBP Vial 3 mmol / mL 50 mL** will be available at all distribution centres effective today, **October 21, 2021**.

Please note that this product now has a **new product code** and contains the following component changes:

- **Product code:** The new product code is outlined in the table below.
- **Latex content:** The new product now contains a **latex-free stopper**.
- **Labelling:** The tray and vial labels have been updated to include the new Fresenius Kabi Canada brand design and Plain Language Labelling (PLL) requirements.

There has been no change to the formulation and the product is **free from preservatives**.

DIN	Fresenius Kabi Product Code <b>*NEW*</b>	MDP Product Code <b>*NEW*</b>	McKesson Product Code <b>*NEW*</b>	Product Description	Availability Date
02139545	C860569	976441	167424	<b>Potassium Phosphates Injection, USP PBP Vial 3 mmol / mL 50 mL</b>	Oct. 21, 2021

Please also note that we will now be discontinuing the old product code for this product.

We thank you for your understanding and continued patience in this matter. For any questions or concerns, please contact your sales representative or our Customer Service department at (877) 821-7724.

Sincerely,

George Shamsoun
