Anticoagulant Citrate Dextrose USP Formula A 1000 mL Backorder Notification

Dear Valued Customer,

Fresenius Kabi Canada regrets to advise that we are encountering a supply interruption on our **Anticoagulant Citrate Dextrose USP Formula A 1000 mL** effective **Oct 21, 2024** until further notice.

Fresenius Kabi Product Code	Product Description	Estimated Stockout Date
C4B7891X	Anticoagulant Citrate Dextrose USP Formula A 1000 mL	Oct 21, 2024

Baxter International is a supplier to Fresenius Kabi for this product, which is manufactured at the Baxter North Cove facility located in Marion, NC. Baxter's North Cove facility was significantly impacted by the rain and storm surge from Hurricane Helene, which was unprecedented in Western North Carolina. Baxter has stated that it is working to fully restore its North Cove manufacturing operations.

We recognize the difficulties and inconvenience that you may encounter as a result of our supply interruption, and we thank you for your patience and understanding in this matter. As we understand more about the supply situation, Fresenius Kabi will provide further updates, including an estimated availability date.

If you have any questions or concerns, please do not hesitate to contact myself.

Sincerely,

Lynne Ross
Senior Director, MedTech
Fresenius Kabi Canada
